

# Waving Through A Window

<b>A</b>	I've learned to slam on the brake Before I even turn the key Before I make the mistake Before I lead with the worst of me
<b>B</b>	Give them no reason to stare No slipping up if you slip away So I got nothing to share No, I got nothing to say
<b>A+B</b>	Step out, step out of the sun If you keep getting burned Step out, step out of the sun Because you've learned, because you've learned  On the outside, always looking in Will I ever be more than I've always been? 'Cause I'm tap, tap, tapping on the glass I'm waving through a window I try to speak, but nobody can hear So I wait around for an answer to appear While I'm watch, watch, watching people pass I'm waving through a window, oh Can anybody see, is anybody waving back at me?
<b>C</b>	We start with stars in our eyes We start believing that we belong But every sun doesn't rise And no one tells you where you went wrong
<b>D</b>	Step out, step out of the sun If you keep getting burned Step out, step out of the sun Because you've learned, because you've learned
<b>C+D</b>	On the outside, always looking in Will I ever be more than I've always been? 'Cause I'm tap, tap, tapping on the glass I'm waving through a window I try to speak, but nobody can hear So I wait around for an answer to appear While I'm watch, watch, watching people pass I'm waving through a window, oh Can anybody see, is anybody waving back at me?
<b>A</b>	When you're falling in a forest and there's nobody around Do you ever really crash, or even make a sound?
<b>B</b>	When you're falling in a forest and there's nobody around Do you ever really crash, or even make a sound?
<b>C</b>	When you're falling in a forest and there's nobody around Do you ever really crash, or even make a sound?
<b>D</b>	When you're falling in a forest and there's nobody around Do you ever really crash, or even make a sound?
<b>A</b>	Did I even make a sound?

<b>B</b>	Did I even make a sound?
<b>C</b>	It's like I never made a sound
<b>D</b>	Will I ever make a sound?
<b>All</b>	<p>On the outside, always looking in  Will I ever be more than I've always been?  'Cause I'm tap, tap, tapping on the glass  I'm waving through a window  I try to speak, but nobody can hear  So I wait around for an answer to appear  While I'm watch, watch, watching people pass  I'm waving through a window, oh  Can anybody see, is anybody waving back at me?</p> <p>Is anybody waving?  Waving, waving, whoa-oh, whoa-oh</p>
