

You Will Be Found

A+B	Have you ever felt like nobody was there? Have you ever felt forgotten in the middle of nowhere? Have you ever felt like you could disappear? Like you could fall, and no one would hear?
C+D	Well, let that lonely feeling wash away Maybe there's a reason to believe you'll be okay 'Cause when you don't feel strong enough to stand You can reach, reach out your hand
All	And oh, someone will coming running And I know, they'll take you home Even when the dark comes crashing through When you need a friend to carry you And when you're broken on the ground You will be found So let the sun come streaming in 'Cause you'll reach up and you'll rise again Lift your head and look around You will be found You will be found You will be found You will be found You will be found
